Hello,

This is an auto-confirmation that we have received your copyright report. Twitter will reply as soon as possible.

Copyright complaints concern the unauthorized distribution or republishing of material protected by copyright law. Here are some examples of possible copyright issues on Twitter:

1. Twitter account publishing links to free downloads of copyright protected materials
2. Twitter account using a copyright protected logo or image

If your report does not involve a copyright protected image that is being used as a Twitter account background or profile image, or Tweets containing links to unauthorized publication of copyright protected materials, most likely, it is not a Twitter copyright issue.

Many people confuse copyright with trademark. For information on reporting other possible Terms of Service violations, including possible trademark issues, please see this page: <https://help.twitter.com/rules-and-policies/twitter-report-violation>.

If you have concerns regarding an urgent issue relating to abuse or safety on Twitter please refer to the Twitter rules here:

<https://help.twitter.com/rules-and-policies/twitter-rules>.

Thanks,

Twitter
